Welfare With Carelinks

Most people are familiar with preaching and mission work accomplished by Carelinks volunteers and field workers but this is in fact a very small part of the work being done. By far, the majority of Carelinks work is in caring for the brothers and sisters of our Lord Jesus Christ. Carelinks is the first (and only) worldwide Christadelphian welfare organization serving the household of Faith... and we are always humbled by the magnitude of the undertaking.

There are so many challenges that face so many brothers and sisters. On paper we can categorise them as; physical, emotional or spiritual – but in reality they are all a lot like brothers and sisters in more affluent societies; it's always a little of each. The difference is that the resources and assistance is more needful and more difficult to deliver.

We would appreciate any assistance you can lend, be it by prayer or donation, and especially time. Carelinks assists thousands of brothers and sisters every year and extra shoulders to the wheel are greatly appreciated. So please, if you can afford time, in the time that remains before our Master's return, we would appreciate any effort, time, advice, skills and support... his yoke is easy and his burden is light (Mat 11:30).

Just some of the areas in which you may have the ability and desire to assist include: replying to correspondence; travelling to visit contacts and brothers and sisters; holding a breaking of bread meeting with those in isolation; teaching or supporting 'Improve your English through reading the Bible' classes; transporting elderly brothers & sisters to medical attention and staying in touch with them; distributing fliers; visiting urgent cases of need at short notice to assess the situation; helping with repairs to homes; delivering firewood or emergency assistance; holding discussions with contacts; computer and internet work; office admin and more.

For more information or suggestions please contact a Carelinks volunteer or email us at info@carelinks.net – we would love to hear from you. *If you can do anything we have something for you!*
